October 13, 2016

## Title I

**Facilitators:** Kim Molhem and Karen Wills

### **Welcome and Approval of Minutes- Kim Molhem**

- Grammatical error in the PBS section was noted and corrected.
  - o Motion to approve minutes, with changes, was made by Sindia Perez and seconded by Marti McVannel.

### **FY 16-17 School Improvement Project- Kim Molhem**

- As of today, we were only able to get one quote for the playground canopy.
  - o The company is called Playmore and was recommended by the Manatee County School District.
  - o The cost is \$25,373.00 for freight, installation and the 30x50x10 shade.
  - o We will continue to look for more quotes.
  - o Once we decide on a company, we can look into businesses that might provide matching funds.

### **School Improvement Plan- Karen Wills**

- Karen presented the SIP goals.
  - o Goal #1- All teachers will implement instructional delivery to students in multiple, differentiated levels of intensity, based on data.
    - Teachers are creating formative and summative assessments, based on State Standards, in order to use data to assist in making decisions on how to differentiate instruction.
    - Teachers are sharing differentiated ideas in PLCs
    - Teachers are offered support by TIF teachers
    - Infusion of Technology to differentiate instruction
      - Compass
      - Ten Marks
      - Safari Montage
  - o Goal #2- Improve social and emotional growth of students.
    - Teachers will give Eagle tokens to students when they are displaying SOAR (Safe, Open to others, A plus attitude, Responsible) expectations.
    - Teachers will utilize Second Step curriculum to teach students when they behave appropriately.
    - Marti McVannel suggested to change the wording to “Teachers will give Eagle tokens to students when they are displaying SOAR (Safe, Open to others, A plus attitude, Responsible) expectations.”
- Motion was made by Marti McVannel to approve the School Improvement plans with recommended changes and seconded by Sindia Perez.
